The district usually closes for a number of days per year due to inclement weather. If more than 4 days are utilized, the following dates will be used as needed in this order: 2/19, 3/26, 3/27, 3/28. School could be extended in June for students and staff should we experience an unusually high number of school closings. Please be aware of these possibilities in planning vacations during the 2016-2017 school year.
