End of year Newsletter

IMPORTANT ANNOUNCEMENT

The Mountainside Education Foundation wishes to thank the Mountainside Community for their continued support throughout the years.

We are excited to announce that we will continue our mission as the grant committee of the PTO.

MEF will transition from an independent organization to a committee that will be part of the PTO. We look forward to working together and will continue to help teachers further enrich the education of our students.

What does this mean for you?

MEF AND PTO ARE JOINING FORCES!!

We will still continue to fund grants for Beechwood and Deerfield Schools. Starting in September you can use [this link](#) to apply for grants.

The maximum amount that will be awarded per grant is \$800. Any grant request over this limit will be discussed on a case by case basis.

Any questions- please contact Danielle Ward at- fischerward@gmail.com
