

~ OUR MISSION ~

The Mountainside Public School District is committed to academic excellence and providing an equitable, whole-child education for all K-8 students to ensure they are well-prepared for high school, and empowered with the knowledge, literacy, and social and emotional skills needed to be lifelong learners and shape the world around them. The District promotes a collaborative and supportive learning environment, infusing a comprehensive curriculum with 21st century skills that encourage communication and innovative, creative and critical thinking. It is our goal that all our students become informed, empathetic and productive citizens who are responsible on a personal, community and global level. The Board of Education, administration, and staff, working together with students, parents and the community, are accountable for achieving this vision.
