Writing Story Starters

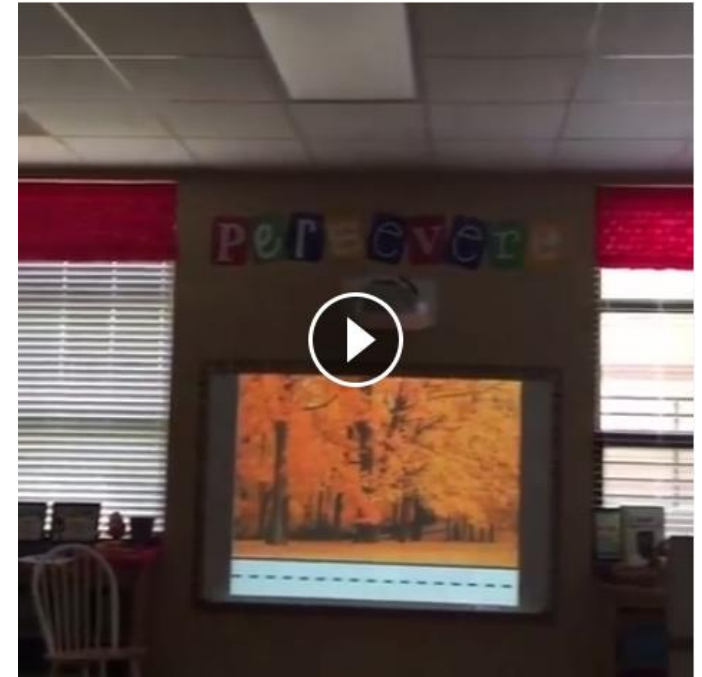

Tara West

Thanks so much for downloading my Interactive Whiteboard Nonfiction Writing Story Starters! I posted this >> video on my Facebook page and had several teacher ask how I got these images on my smartboard! I like to display our writing topic in a large format to really allow the students to gain knowledge on our topic. I then play soft relaxing music {found [HERE](#)} to set a relaxing environment during writing.

These files are in a pdf format so you can select view full screen to have them appear in a large format on your interactive whiteboard.

If you have any additional questions as always, feel free to email me at taradc87@Hotmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#)
