

- Kindergarten homework consists of 2-3 assignments:
 - Daily math sheets that coincide with the Go Math curriculum
 - Handwriting practice on days new letter formation is introduced
 - Reading Logs
 - These are sent home at the beginning of each month and should be returned on the last day of the month
 - Your child should for at least 10 minutes per night (Of course, this includes being read to by an adult!)

- No homework will be sent home on weekends!

- Homework should be a quick, reinforcement of taught skills. If your child is struggling to complete homework assignments, please contact his/her teacher.
