

Supporting the Emotional Needs of the Gifted

Parent Group

<https://www.sengifted.org/scg/scg-facilitator-listing>

The summer is a great time to get informed and to connect with other parents to share resources and ideas before the next school year starts. Find support discussing the unique social, emotional, and academic challenges faced when raising a bright or 2E child. The group meets online in the evenings for 8 weeks, June- August. Specific schedule determined by participants. \$100 per family.
