

# THE LIBRARY BUNCH

**For \$20.00 you can donate a book to your School Library.**  
Your child's or family's name will be placed inside the front cover, where it will become part of school history.

Our children regularly use their school library for reference purposes or to take a book home to read. Let's help our school libraries to grow and flourish. Each year, a variety of age appropriate books are ordered for both schools. Last year, thanks to your generous support, we collected over \$1,500 and donated over 100 books to the Deerfield and Beechwood Libraries.

Your child will join The Library Bunch in March/April (see dates below) for a "Celebration Party" in their school's library. A celebration will be offered, and your child will officially donate their book. **For each \$20 donation, one book will be donated by your child or family.**

**March 22nd in the Deerfield Media Center**  
**April 5th in the Beechwood Media Center**

Please help support this fun and rewarding activity. Thank you for your generous donation.

Return this bottom portion of the form to Deerfield or Beechwood School office by **February 20th, 2019** in an envelope marked Library Bunch PTO\* Checks should be made payable to: *Mountainside PTO*.
